

MSG Emmanuel's uniformed service culminated on 30 June 2020. She served as a personnel specialist, and excelled as a financial analyst. She was the subject matter expert relied upon to prioritize and coordinate funding Service Member equipment and travel. Her work assisting units and personnel mobilizing for numerous deployments for the Pennsylvania National Guard was instrumental. With her assistance, units were able to obtain funding for critical shortages required for various missions that supported national disasters, Presidential inaugurations, and the Global War on Terrorism.

With great honor and thanks, I'm humbled to acknowledge the long and distinguished career of Master Sergeant Loretta Ann Emmanuel in the Pennsylvania National Guard. Her commitment, tireless efforts, and faithful service to our great Commonwealth and Country for over four decades demonstrates her selflessness and character. On behalf of the Citizens of the 10th Congressional District, I wish her Godspeed in her future adventures.

Mr. DeSAULNIER. Madam Speaker, I rise today to recognize the service of an esteemed leader in Contra Costa County, James Donahue, and congratulate him on his retirement.

In 2013, James was appointed as the 29th president of Saint Mary's College of California in Moraga with more than 20 years of experience in higher education executive leadership. He and I both graduated from the College of the Holy Cross. From there, James obtained a Master of Divinity from Princeton Theological Seminary and then earned his Ph.D. in Religious Social Ethics from the Graduate Theological Union. James has held numerous lecturing, professorial, and administrative positions at institutions such as Santa Clara University, Boston College, and Georgetown University where he was also the Dean of Students and Vice President for Student Affairs.

From 2000 to 2013, James served as president of the Graduate Theological Union, a consortium of nine theological schools and affiliate centers in Berkeley. During this time, James strengthened the schools' interreligious and academic programs. He also oversaw campaigns that increased financial support for students and established the Center for Islamic Studies. James also worked with Saint Mary's College administrators and was an advisory board member of the Center for Engaged Religious Pluralism. In addition to his work in higher education, James has also served as an ethics consultant for the Levi Strauss Corporation, the Department of Defense, and the Catholic Health Association.

As President of Saint Mary's College, James has led with a commitment to the highest quality education in conjunction with a focus on diversity, inclusion, and religious development. He is the first layperson to serve as president in the university's 150-year history and has successfully carried on the legacy of the Lasallian core principles.

I wish James well in his retirement and thank him for his enduring commitment to the education of our students. Please join me in honoring James Donahue for his many contributions to our community.

MAKING UNIVERSAL HEALTH  
CARE FOR ALL AMERICANS A  
REALITY

**HON. BETTY McCOLLUM**

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, May 13, 2021*

Ms. McCOLLUM. Madam Speaker, since its creation in 1965, Medicare has provided health insurance and access to quality health care for hundreds of millions of Americans over the age of 65. Since then Congress has worked to ensure that Medicare is adapting to meet the needs of the American people. In 1972, Medicare benefits were extended to people under 65 years with long-term disabilities. Hospice care was added in 1982. And, a prescription drug benefit was added in 2003. In 2010, the Affordable Care Act (ACA), which I strongly supported, strengthened Medicare coverage for preventive care and reduced patient liability for prescription drug costs.

Currently, 44 million Americans—15 percent of the U.S. population—are enrolled in Medicare. While not perfect, Medicare is without a doubt one of the most successful, lifesaving, and life improving programs ever established by the federal government. Throughout my career in Congress I have fought to protect Medicare, Medicaid, and Social Security because these safety net programs provide essential health and economic support that is often the difference between a person living in poverty or living a quality life with dignity.

After enduring the COVID-19 pandemic for the past 14 months, there can be no doubt that health care for the American people must be considered a right, not a privilege. Access to quality, affordable health care is essential to our individual well-being, our families, our community, and our economy. Because universal access to quality health care must be considered a right, last month I introduced H. J. Res. 44—an amendment to the U.S. Constitution guaranteeing health care for all Americans. Until it is enshrined in the Constitution, I believe we will continue to have a health care system of winners and losers which will cause physical and economic hardship for millions of Americans. If the COVID-19 pandemic has taught us anything, it must be that policymakers need to take action to ensure no one is left behind, that health disparities are reduced, and that a preventable or treatable condition should never result in disability, death, or economic ruin.

My commitment is to work to expand health care access, improve the quality of care, and to ensure that all Americans who need health care coverage can have it. I will fight to strengthen Medicare and Medicaid. I will work to expand the ACA and strengthen its provisions such as protecting those with preexisting conditions. And, where I have direct responsibility as a member of the Appropriations Committee, I will work to strengthen TRICARE for the roughly 9.6 million enlisted men, women, and their families defending our freedom worldwide; strengthen the Indian Health Serv-

ice (IHS) which serves roughly 2.56 million Native Americans and Alaska Natives with unique, specialized health services; and, strengthen the Veterans Health Administration (VHA) for the millions of men and women who have served our nation and deserve the quality care they've been promised.

There is so much work to be done. Still, too many Americans are being left behind. Too many people will not have access to quality, affordable health care. So, I have come to the realization that it is once again time to expand access within Medicare.

I believe that now is the time to start the arduous legislative process of working to provide universal coverage to all Americans and the best policy option to achieve this goal on the table today is the Medicare for All Act (H.R. 1976). This legislation will provide every American with health coverage, while also eliminating out-of-pocket costs for patients and cutting the cost of prescription drugs. Additionally, H.R. 1976 would include vision, dental, hearing, mental health, and substance abuse treatment to ensure comprehensive physical and mental health services for all Americans.

After many discussions over the past few years, I want to extend my appreciation to the bill's authors for working with me to address the major concerns that I had with previous versions of this legislation. In particular, previous bills would have forced the VHA, TRICARE, and IHS to be disbanded and folded into the same patient population as all other Americans. This was unacceptable to me based upon long standing commitments and obligations that our federal government has made to these patient populations.

With those concerns removed, I am proud to co-sponsor H.R. 1976. The goal is now clear, let's work to ensure that every American can access guaranteed health care as a right, not a privilege. It is my belief that the Medicare for All Act is the legislative vehicle that can best serve the needs and desires of the American people for affordable, quality, and universal health care.

REMEMBERING SOCRATES J.  
SPACE

HON. TIM RYAN

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 13, 2021

Mr. RYAN. Madam Speaker, I rise today to honor the life of Socrates J. Space, who passed away on Monday, April 26, 2021 at the age of 90.

A child of the Great Depression, Soc was born on September 4, 1930, in Dover, Ohio. His parents, Zacharias "Jack" and Despina (Pardos) Space immigrated to America in the early 20th century from the magical Greek island of Ikaria. While growing up in poverty, Soc was blessed with a loving and close-knit family that endured and overcame hardships common to immigrant families during this period.

He shined shoes and set up bowling pins to help put bread on the family's table, starting at a very young age. He overcame adversity, eventually earning three varsity letters as a 145-pound defensive lineman for the Dover Tornados football team and was elected by his classmates as Senior Class President of the Dover High Class of 1949.

After graduation, Soc went to work at Reeves Mill, where he became a card-carrying member of the United Steel Workers before being drafted into the Marine Corps. As a Marine, Soc fought bravely for his country during the Korean War. Upon his return, the GI Bill enabled him to enlist at The Ohio State University, where he graduated with a degree in Political Science. He went on to earn his juris doctorate degree from Ohio State before returning to Dover, embarking on a successful legal career in Tuscarawas County that would span five decades.

In addition to his private legal practice, Soc served as Judge of the Tuscarawas County Court Southern Division and worked for many years as an attorney for the State of Ohio Department of Transportation. He also served as Special Counsel to three Ohio Attorney Generals. He developed exceptional oratory skills that, combined with his personable nature, wooed juries on behalf of his many clients over the years.

His rich voice and gift for public speaking helped him excel in Toastmasters; and served as a foundation for his important work in politics. He was very active in the Tuscarawas County Democratic Party, serving two separate stints as County Chairman, and he provided guidance and support for countless politicians at the local, statewide, and national levels. He was a proud delegate at the 1988 Democratic Convention for the Presidential campaign of fellow Greek-American, Michael Dukakis, Soc's crowning political achievement involved helping elect his son, Zack, to Congress in 2006. Soc's charming intellect and fierce loyalty won him the adoration of countless friends, clients, politicians, and even political and legal adversaries.

Soc was a multidimensional man of many talents. His artistic flair was manifested in

beautiful pottery and sculptures, and helped inspire his daughter Stephanie's devotion to the arts. His love for politics and knack for the law continue with Zack. Upon his retirement from the practice of law in 2008, Soc remained active, particularly in politics. In 2018, he accompanied Zack on a statewide campaign for Ohio Auditor that saw him log over 100,000 miles, visiting counties, cities and villages across Ohio, serving a vital role in an exhausting political endeavor. Soc, who turned 89 that year, never once tired from the demands of that campaign despite suffering from a debilitating medical condition.

He is survived by his daughter, Stephanie Space (Tom Johnson); his son, former Congressman Zack Space; his special friend and caregiver, Erin Noviski; his sister and Matriarch of the Space family, Mary Smith; his grandchildren, Gina (Tyler Tompkins) and Nick Space, and Socrates, Alex (Kadi) and Leo Incarnato; and his great-granddaughters, Violet Incarnato and Stella Tompkins. He is also survived by nieces and nephews, Denise Hollister, Zack (Jean) Space, Athena

(Ron) Hooker, Pat Johnson, Chris (Bobbi) Smith, and Tony (Nancy) Smith; and many great- and great-great-nieces and nephews. Also surviving are his "neighborhood son," Dave Johns; his former daughter-in-law, Judge Mary Space; his former wife, Vicki Space; and stepchildren, Wendy Busby, Terri (Eric) Smith, and Shannon Croley; and step-grandchildren, Travis (Erika) Smith, Sam Smith, Casey (Joseph) Emery, Ben and Bryan Croley; and great step-grandson, Holton Smith.

Soc is preceded in death by his beloved daughter Gina, with whom he has been reunited. Soc was also preceded in death by his parents, his brothers Jim, George, and Pete Space, and sisters-in-law Bessie and Mary Ann Space, brother-in-law Bill Smith, nephews Jimmy Space, Phil Johnson, and Bob Hollister, and his former wife Sandy Space.

I am proud to have known Socrates as a father to my dear friend, former Congressman Zack Space. My deepest condolences go out to Soc's entire family and to all whose lives he touched.

HONORING EMILY LANG,  
KRISTOPHER ROLLINS, LEAH  
WAUGHTAL-MAGIERA, AND  
JALESHA JOHNSON AS IOWANS  
OF THE WEEK

HON. CYNTHIA AXNE

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 13, 2021

Mrs. AXNE. Madam Speaker, I rise today to honor Emily Lang and Kristopher Rollins, the cofounders of RunDSM, as well as Leah Waughtal-Magiera and Jalesha Johnson as Iowans of the Week. April is National Poetry Month, and Emily and Kristopher have given students in the Des Moines Public Schools system an opportunity to express and better themselves through poetry, spoken word, and open mic through their programs at RunDSM.

RunDSM provides marginalized students access to a culturally conscious curriculum, urban art forms, and opportunities for student-centered community activism through the different programs they offer such as "Movement 515," "Urban Leadership Summit," and "Mi-

norities on the Move." Through Emily and Kristopher's leadership, they have been able to create a representative, culturally conscious climate within Des Moines Public Schools.

When Emily and Kristopher first came to the Des Moines Public Schools system, they had no idea what their experience would evolve into. Ten years later they have built a coalition of hundreds of students who have been impacted by RunDSM. The program was so inspiring for Leah and Jalesha they decided to come back and help run the program and turn it into what it is today. Students say that RunDSM has been a medium to discover and express their voices.

National Poetry Month is a great opportunity to highlight some of the incredibly talented and creative minds in Iowa. Emily, Kristopher, Leah, Jalesha, and everyone at RunDSM truly inspire students to find their voices and show them how powerful it can be. I will continue to fight in Congress for programs like RunDSM and advocates like Emily and Kristopher who invest in our students and make them better people through poetry. It is my honor to recognize them as Iowans of the Week.

IN HONOR OF RAUDE RAYCHEL

HON. CHRIS PAPPAS

OF NEW HAMPSHIRE

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 13, 2021

Mr. PAPPAS. Madam Speaker, I rise today to celebrate my constituent, Raude Rayche, for becoming a citizen of the United States of America on January 29, 2021. Raychel has established herself as a pillar of her Somersworth community, and committed her life to bringing together her neighbors in Somersworth and her Indonesian culture. It is with great excitement I celebrate her citizenship to the country we love.

Raychel's dedication to the U.S. and to New Hampshire started long before becoming a citizen of this country. As the President of the Somersworth, NH nonprofit Indonesian Community Connect (ICC), Raychel designed programs to educate and engage community members in the traditions of her culture. Her caring nature and desire to grow her community has improved the lives of those living in the tri-city area and beyond.

However, Raychel did not stop there. With the help of her many partners Raychel led the efforts on the Little Indonesia project. Under
